*Water Usage form required for landscape irrigation and/or separate laundry facilities, pools, clubhouses, etc.

Water Usage form required for irrigation and commercial/industrial uses based on the following rates:

- Sewer Usage Rate: \$23.108 per gallon per day based on average annual usage
- Water Usage Rate: \$8.26 per gallon per day based on average annual usage
- Projects using more than 7500 gallons per day (8.4 acre feet per year) require Planning Commission approval.
- Any commercial/industrial project where the use of water will be 5 acre-feet or more per year is assessed a fee of \$85 + \$0.50 per acre-foot or fraction thereof, required for reporting to Division of Water Resources per NRS statute.

Contact the Development Services Engineering Division at 887-2300 to obtain current Water Usage form.
